*NOTE: Schedule is current as of December 30, 2021 and is expected to stand. In order to allow for flexibility in professional/personal schedules, along with a commitment to leading by example for community health, some sessions may be held virtually. Session locations and modality will be provided with ample notification. Adherence to LPInc. safety guidelines for all sessions is expected; decisions related to sessions that are weather dependent will be clearly communicated following LPInc. protocols for winter weather sessions.

IMPORTANT: The assumption is made that you will be attending all program sessions listed on the schedule. If you know that you will be unable to attend in advance, we expect you will let us know at least 48 hours prior to the session. For issues such as illness or emergencies, please let us know at the earliest convenience. As you can understand, significant planning goes into all sessions and last-minute absences can disrupt logistical details. We trust you will fully communicate with us.
