Session 10	Wednesday 9.7.2022   4:30 – 8:30 PM	Important

*\*In order to earn the full credit for each session, you must complete the post-session survey worth 1 credit.*

**To graduate, CLCV™ participants are required to accumulate 25 of the 30 possible credits offered.**

Throughout the program, opportunities to earn a finite number of extra credits will be offered that can be applied to the total number required for graduation from CLCV IX. Given the ongoing and needed attention to public health, some of these opportunities might be made available on short notice.

**IMPORTANT:** The assumption is made that you will be attending all program sessions listed on the schedule. If you know that you will be unable to attend in advance, we expect you will let us know at least 48 hours prior to the session. For issues such as illness or emergencies, please let us know at the earliest convenience. As you can understand, significant planning goes into all sessions and last-minute absences can disrupt logistical details. We trust you will fully communicate with us.

\*NOTE: Schedule is current as of October 15, 2021 and is expected to stand. Session locations will be provided with ample notification. In order to allow for flexibility in professional/personal schedules, along with a commitment to leading by example for community health, some sessions may be held virtually. Adherence to any LPI safety guidelines for all sessions is expected.
