To strengthen regional leadership through programs, partnerships, and connections.

About

High-impact leaders have skills and passion to become changemakers in their communities. For individuals who are poised to advance to this next level of community impact, Leadership Pittsburgh Inc. amplifies leaders' unique potential through expert-level leadership tools, community connections, and an influential community of support.

To achieve this mission, LPInc. produces programming, partnerships, and connections through cohort-based programs, executive networking, nonprofit board matching, and a robust, cross-disciplinary, multi-generational alumni network. Selection-based programs include Leadership Pittsburgh, Leadership Development Initiative, and the Community Leadership Course for Veterans™. Programs address critical and timely regional topics, foster collaboration between the business and the civic sector, and position leaders as catalysts for positive change.

Vision

LPInc. works toward a Pittsburgh region where high-impact leaders are informed about community issues, connected to regional leaders, and working across sectors to leverage sustainable, equitable solutions for a thriving Southwestern Pennsylvania.

History

Founded in 1983, Leadership Pittsburgh Inc. (LPInc.) is an independent 501(c)(3) nonprofit organization that is now recognized as a premier resource for community leadership development in Southwestern Pennsylvania. LPInc. has an alumni network of more than 3,500 influential civic leaders working to maximize the potential of our community. Modeled after existing programs around the country, the Leadership Pittsburgh program was conceived by community leaders, affiliated with the Greater Pittsburgh Chamber of Commerce, to enhance the quality of regional leadership through programming focused on awareness of community issues. Additional programs evolved to include the Leadership Development Initiative (1994), Leadership OnBoard (1998), and The Community Leadership Course for Veterans™ (2014).
