If you know in advance that you will be unable to attend, we expect you will let us know at least 48 hours prior to the session. For issues such as illness or emergencies, please let us know at the earliest convenience. As you can understand, significant planning goes into all sessions and last-minute absences can disrupt logistical details. We trust you will fully communicate with us.

Schedule is current as of January 2023 and is expected to stand. Session locations will be provided with ample notification. We will be visiting many diverse venues throughout the year and will adhere to our host venue's COVID-19 policies, which may include proof of vaccination and/or proof of a negative test and masking. In order to allow for flexibility in professional/personal schedules, along with a commitment to leading by example for community health, some sessions may be held virtually. Adherence to any LPinc. safety guidelines for all sessions is expected.
